Ref : HA-AB/GG-PVC/CMN/QT4/P01-024-0018

To All Potential Suppliers

05th February 2024

Hatches Ltd is a social development agribusiness private limited company registered in 2003, and whose main activities include: livestock farming, grain and cereals management, animal feeds processing, market offtaker management, farmer support services and black soldier fly (BSF) production and processing.

In partnership with aBi Ltd, Hatches is implementing a project under poultry value chain windows titled: ***“Increasing Market Access and Productivity of the Poultry Value Chain through effective and environmentally efficient Inputs in Central and Eastern Uganda”***.

Part of this intervention consists of purchasing and training 10 BSF feed crushers for BSF model farmers. For this purpose, we hereby invite you to submit an expression of interest for the supply of the 10 BSF feed crushers as indicated in the attached documents.

Looking forward to our successful professional collaboration, we will be happy to see your response on the below provided addresses.

Very truly yours,

Fiston Fikiri Chirimwam
Project Manager
Hatches Ltd
